IMPROVEMENT IS TO BE MADE AT THE STAR

The Star theatre will, during the summer, be overhauled and many changes made that will tend to the convenience of the public.

The summer stock company will close their engagement and then for two weeks the house will be wide open for laughing purposes only, as Manager McShaffrey has arranged for a short season of musical comedy. After that the house will be closed and the work of remodeling will begin and by time for the fall season to open the Star will be a place of beauty and a joy forever. The interior will be newly decorated and many advantageous changes made, principal among which will be a rear entrance to the house by way of the alley leading from Donner avenue, between the Peoples bank and Frank Bomer's real estate office. The main entrance will remain as it is, but by arranging a rear entrance it will give access to the house from the busy thoroughfare of Donner avenue as well as from Sixth street, and in case of fire it would serve to empty the house in much shorter time. The plans are now being made by J. A. Lohman, the local architect, and by the latter part of the month work will be under way, and when completed the Star will be putting on city airs for fare-you-well. When the full opening comes and folks get back from the seashore, lake and mountain, they will not recognize it as the same place.

Bi-monthly Meeting Held

The Community club of Charleroi gave their bi monthly dinner last evening at 6 o'clock in the Turner hall, that town and aside from the members, guests were invited from Monessen and Monongahela where similar organizations are contemplated. The affair was an interesting and instructive one. Many good talks were heard both from the members and visitors on matters pertaining to civic affars.

A Successful Operation

Mrs. W. J. Snyder of Donner avenue underwent a remarkable operation Thursday of this week and at the present time there are flattering hopes for a complete recovery. Mrs. Snyder is 73 years of age and had removed from her abdomen a large tumor. The operation was performed at the Monessen-Charleroi hospital by Dr. M. E. Griffith and today there is every indication that Mrs. Snyder will recover.

PROGRESS IN FOURTH OF JULY PROGRAM

With the Fourth of July less than a month away, the various committees in charge are busy arranging for another celebration. This year's affair promises to be better than those heretofore, which have caused no little comment for their originality and uniqueness. The committee in charge is composed of men experienced in the same work in former years and are well able to handle the affair.

The parade again promises to be one of the biggest features of the day and gratifying responses are being received from all. Judging from the way the organizations of different nationalities are taking it up, the parade will carry out the original idea, "The Pageant of Nations," on a larger scale than ever. No less than eight nationalities have signified their intention of taking part in this parade and they will present many novel ideas both historical and patriotic.

Large appropriations have been made for ee orations, music, sports, fireworks, and various other forms of entertainment have been provided.

Among the special features scheduled for the day are the parade, two baseball games, public speaking, possibly an aeroplane demonstration and the fireworks at night which will surpass in size and magnificence those of former years.

Still Squabbling Over Bridge

The Fayette County commissioners are still "bucking" over the building of the Brownsville bridge. It looks strange to see residents of a community like Brownsville kicking against such a needed public improvement. It is time to set aside the technical objections, and get down to work. There are other communities interested in the erection of this bridge The delay in the construction doubtless costs the merchants of Brownsville a good deal of trade Possibly if these people get to trading in the towns along the west side of the Monongahela they may continue to do so after the bridge is built. Get busy.—Belle Vernon Enterprise.

Mrs. Arthur Hutton and children have arrived home from Panama City Fla., where they went in company with Mr. Hutton for the latter's health. Mr. Hutton remained in Pensacola Fla. Mrs. Hutton will soon depart on an extended visit to Glasgow, Scotland her former home. She will be absent about a year.

Save Your Teeth

Many years ago we gained a reputation for extracting difficult teeth—we have been in successful practice for twenty-five years, seven of which has been in Monessen, and in that time we have extracted thousands of teeth. We think it almost unnecessary at this late day to tell you that we are leaders in this particular work.

For the painless extraction of teeth we have the best gas apparatus it is possible to have—also the very latest local anesthetic. We have the latest methods—keep abreast of the times But we advise you to save your teeth.

Benefit Game to be Played Monday Night

A benefit game for Harry McFall, shortstop on the Page A. A. team will be played at Page park on Monday evening between the Methodists in the Church League and the Page Athletic Association team. The game should be an interesting one as the teams are about evenly matched.

Mr. McFall was taken ill just before the opening of the baseball season and has been unable to be out since and this opportunity is being taken by the Page players to show their appreciation for the valuable service he has rendered them in the past. It is the wish of the management that a large crowd be on hand and that they respond with a liberal collection. The game will be called at 6 o'clock sharp.

THE ENTIRE BAR WAS CONVERTED BY HYMN

The most remarkable demonstration thus far in connection with the "Billy" Sunday meetings now under way at Beaver Falls, occurred Thursday evening, when practically the entire Beaver County Bar Association "hit the sawdust trail" in the big tabernacle in the presence of a crowd estimated at 10,000 persons. The credit for the conversion of the men of the law is given to George Boulding, the negro janitor of the county court house at Beaver.

Last evening the members of the Bar Association, with the exception of a small number, had determined to attend the "Billy" Sunday meeting. They were gathered in one of the law offices of the town when a member of the Sunday party entered and greeted them. Someone jokingly suggested that Boulding, who was in the room, sing a song. The negro rose to his feet and in a remarkably sweet voice began the words of "Jesus Lover of My Soul." Before he had finished the first verse several of the men were in tears. As the song progressed, men who had been political enemies for years clasped hands and openly forgave each other. Later, at the tabernacle, when the invitation was extended, the 60 lawyers, headed by District Attorney L. E. Graham, went forward. In the number were Judge Richard Holt and former Judge J. Sharp Wilson.

A Case From Belle Vernon Was Settled

Instead of sensational evidence which it was expected would be heard in the trial at Uniontown of patrolman J. W. Tiley of Belle Vernon, the defendant plead guilty after having been indicted and held for trial on a charge of assault and battery. The case has been the gossip of Belle Vernon for the past ten days as both parties are well known. Mr. Crandall who has pushed the case is gratified over the outcome of the affair which has so completely exonerated him from all blame and placed it on the defendant. The entire costs will be paid by Tiley and he will be up for sentence before Judge Umbel today.

The origin of the case was the intervention of Crandall while Tiley was taking a prisoner to the borough lockup in Belle Vernon in an alleged brutal manner. Tiley took offense and hit Crandall. A warrant was sworn out for Tiley's arrest and at a hearing he was held for court.

Good Minstrel at Olympic

One of the best little minstrel shows that has ever appeared here is holding down the boards at the Olympic theatre this afternoon and evening. Five pretty girls and two exceeedingly funny black face comedians constitute this company of stellar artists. Special scenery, gorgeous costuming and catchy music all combined give the minstrels a setting that is away above the usual run of this form of entertainment. In addition to the minstrel part there are several choruses introduced and two specialties in the olio. Billy Hawthorne at the parson keeps the audience in a continual state of laughter with his monologue. Miss Aimee Hawthorne, a dainty and petite little comedienne is very entertaining in a repertoire of songs. Excellent moving pictures, as is always the case, prevail at this popular playhouse. A matinee will be given this afternoon and three performances this evening.

Musical Comedy at the Star

Beginning Monday evening the Star theatre will run a short season of Tabourette Musical Comedy, vaudeville and photo plays, in which Manager W. A. McShaffery will appear in leading comedy roles. J F. McCabe, blackface comedian, Bobby Burns in character work, Miss Corrall soubrette, Will F. McNulty in some of his favorite roles, and Miss Marie Vogel, the girl with the soprano voice and two strong vaudeville acts along with motion pictures will make up an exceptionaliy strong bill for the early part of the week, an entertainment put up particularly for laughing purposes only. Prices 10c and 20c as usual, two shows—8 o'clock and 9:30. All children under 15 years of age 5. cents. 1t

LOCAL REAL ESTATE IS ON THE BOOM

The East Side Land company reports the phenomenal record of making six sales in one day. This record is indeed an enviable achievement even for such a firm as this. The real estate business had been rather active during the month of May and according to the outlook so far this month everything points to one of the most active periods for some time.

This is the record made by the East Side Land company on May 27th:

John Ranta purchased a lot on Chestnut Street, size 35 x 222. Consideration $250 00.

George Sabol purchased a lot on Braddock avenue, size 35 x 100. Consideration $450.00.

Margheritta Arnoldi purchased a lot on Delaware avenue, size 35 x 130. Consideration $250.00.

Edward Cantini purchased a lot on Delaware avenue, size 35 x 130. Consideration $225.00

Valentine Demicheli purchased a lot on Delaware avenue, size 35 x 100. Consideration $225.00.

Giovanni Carpiny purchased a lot on Chestnut street, size 35 x 110. Consideration $225.00.

Sixth Street Team Loses Game

The Sixth Street team played their first game with the Lock 4 boys last night. A seven inning contest being the result, and while the Monessen boys did not win, it was full of interest throughout, the score being held down regardless of the roughness of the grounds, which our boys say was nought but humps, hollows and grass a foot high. However the Sixth street boys lost gracefully, realizing that both sides could not be victors and consoling themselves with the fact that there's another day coming, and that before long, when they'll have a chance to get back at the "West Monessen" bunch, on the home grounds and then they'll strut like a peacock with a full-grown tail. The score by innings follows.

Sixth Street	0	1	1	0	0	0	0	—2
Lock Four	1	0	0	2	0	1	x	—4

Batteries: Lock 4, Gamble and E. Riggens Sixth Street. Hendrickson and Cechi. Umpire—A Leclerc.

ACCIDENT NARROWLY AVERTED ON THE RAIL

Only the prompt action of the crew of a southbound train after seeing an obstruction on the tracks of the Pennsylvania railroad yesterday afternoon near Monongahela averted what might have been one of the most disastrous accidents the Monongahela division of the road has ever had.

The train which is one of the fastest on the road is due from Uniontown at West Monessen at 12:42 and always carries a large number of passengers. It is estimated that there were at least two hundred people on the train yesterday at the time of the near accident. The train which is known as No. 153 was in charge of Conductor James A. Austen and Engineer Buchanan.

The obstruction, which was a heavy fish plate weighing several hundred pounds, was placed on the tracks near Dunlevy by unknown parties and had the train struck it at the rate which trains travel past this point the entire string of six cars, engine and tender would have been derailed, probably into the river. Brakemen on the southbound train noticed the obstruction first and notified the passenger crew who slowed down until it was reached.

A rigid investigation is being made into the matter by Chief of Detectives Davis of the Pennsylvania and he and several men have been detailed on the case. Nothing has been discovered concerning the culprits so far but the detectives are said to be working on several good clues.

Our New County Asylum

"The new asylum for the indigent insane for this county will be erected on the knoll to the south of the County Home, at Greensburg" said County Commissioner, W. Dick Reamer, Thursday evening and County Commissioner George Brechbill emphatically favors the same location. The county engineers have made the necessary surveys. The county commissioners the poor directors and Superintendent A. P. Darr, of the Home, will, in the very near future, meet and take definite action toward erecting this badly needed building.

We do not wish to be understood as under-estimating the value of a liberal education, but really we have never yet been fully convinced that a college diploma always qualifies the holder for expert, practical and successful teaching any more than we believe that the teacher who comes up from the ranks, educating himself or herself, is necessarily a failure. We could point to and have in mind many so-called graduates whose ignorance is preponderous. We can also cite men and women who never saw the inside walls of a college who are walking today at the head of the procession in an educational way. Hence the inference that education associated with natural aptitude and inclination makes good, great and able men, but there are others who would never make leaders or instructors if all the educational forces of the world could be concentrated and hammered into them. How often has the self-made man or woman supplanted the college bred, diploma burdened, and why? Simply because they possessed real worth; had absorbed and retained what they had learned and had the natural ability to properly apply it and impart it to others.

That there is a movement on foot to nominate Col. William Jenning Bryan, of Nebraska for President and Senator O'Gorman of New York, for Vice President, is made clear by many circulars addressed to prominent Democrats by the Bryan and O'Gorman Democratic Clubs of New York. The Bryan sentiment will not only not down, but it seems to be growing very rapidly throughout the country, and the friends of the other candidates will probably find a real stumbling block in their way when they reach Baltimore to begin the real work of making a nomination. Of course no one can tell just what will happen, but a Bryan landslide will not surprise anyone familiar with the situation.

Wonder what Billy Flinn will say about the "people ruling" if they get convincing evidence against his henchman John M. Morin, who is at present Director of Public Safetty and for whom Flinn espoused so ably in the name of the people. Mr. Morin is one of the new Congressmen at large, nominated under the "people rule craze" which Mr. Flinn so gallantly led. If it should turn out that he isn't fit to be a director of public safety the people of the state will surely conclude that he's not the man for congressman-at-large. Should the prosecution fail however his popularity will be enhanced.

Greensburg sent a delegation of several hundred people to the train to see evangelist Biederwolf, who had conducted a series of revivals there on his parting journey. This is part of what the Greensburg Argus says in commenting on the meetings: "For five long and weary weeks the people of this community have with meek submission tolerated in their midst a band of strolling evangelists led by one Biederwolf. They came ostensibly to preach Christ and Him crucified; to bring sinners to repentance, and to purify the moral atmosphere generally. But they have done neither."

The house judiciary committee at Washington, D. C., has voted to report favorably the constitutional amendment proposed by Representative Clayton of Alabama, extending the term of the president to six years and prohibiting more than one term. Thus is given a start to a movement which may, and it is hoped by many will, eventually terminate with success. It looks good.

Pittsburgh school board grafters pulled down $200 rake-off on each piano placed in the schools. No wonder "friends of education" there favored instrumental music.

MANY REMARKABLE RESULTS OBTAINED

GREAT GOOD BEING DONE BY APPLICATION OF MODERN IDEAS

Intense Interest Is Aroused Wherever New Treatment Has Been Offered to the Public.

There are many thousand of debilitated, nervous men and women in this country who will read this item with much interest. Not in many years has a new product created so much discussion as that now going on over the remarkable success of a modern triumph of pharmacy now obtainable generally of druggists, and known to the trade as Wade's Golden Nervine.

Men and women in all walks of life are enthusiastic in their praises of the new treatment. A few of their statements are here quoted: "I am thankful your treatment was brought to my notice," says Rev. Robt. Barnes, of 1133 N. West St., Indianapolis, Ind. After suffering for years from Nervous Debility, your treatment certainly brought me out after others had failed. I make this statement to show my appreciation, and with the hope that others may profit by it."

Mrs. Nan Williams, 542 Toledo Ave., Marion, O., is a lady who received wonderful benefit. She said: "Your treatment has done me so much good. In my work I meet a great many afflicted people, and you may rest assured I will recommend it, for I think it is grand."

In view of the enormous number of men and women everywhere who become weak and haggard looking long before their time, who lack strength and vitality, and suffer from nervous debility, nervous indigestion and headache, weak heart, insomonia, (sleeplessness) the knowledge that a reliable treatment is at hand will be welcome news.

The fact that this product contains no alcohol, morphine, or any other narcotic whatever, and while being exceptionally soothing to the nerves is at the same time a most efficient upbuilding and nutrient tonic for the system, makes a strong appeal to the discerning men and women who feel the need of a genuine restorative treatment which is free from all objectionable ingredients.

Some of the druggists report the demand for Wade's Golden Nervine is such as to warrant them in buying direct from the laboratories of the manufacturer. This was the case at Eddy's Drug Store.

Retort and Comment

The West Newton Times-Sun comments favorably on the municipal chamber of commerce. West Newton of late is getting a little of the moss off its back. It is about '20 years old, has more wealth than any town its size in the country and fewer public improvements. Oh, yes we think under certain circumstances a chamber of commerce is a good thing.

THE BROOKLYN TABERNACLE BIBLE STUDIES

A FAITH FOUNDATION NECESSARY.

Luke vi, 39-49—June 9.

"Be ye doers of the Word and not hearers only, deceiving your own selves."—James i, 22.

THE GREAT TEACHER in today's lesson emphasizes the necessity of knowledge and of a faith built thereupon. The blind leading the blind represent the ignorant leading the ignorant into difficulties.

The destination sought by the Jews was fellowship with and relationship to God—His highest favor, mentioned to Abraham, saying, "In thy Seed shall all the families of the earth be blessed." St. Paul says of that promise, "Israel hath not obtained that which he seeketh, but the election hath obtained it and the rest were blinded."

The entire Jewish race was blinded and turned aside and fell into the pit—into confusion, darkness, separation from God. This was the very matter against which Jesus forewarned them. How important that God's people recognize the true Leader, Jesus, and heed not the voice of others!

Alas! we find that many of the great and wise of the principal pulpits of the world are undermining faith by telling that the Bible is not Divinely inspired, that Moses and the Prophets did not write the books ascribed to them, and hence indirectly saying that Jesus and the Apostles were deceived when they made quotations from the Old Testament and ascribed them to Isaiah, Jeremiah, Moses, Habakkuk, etc.

"Cast out first the beam"—

These great men style themselves Higher Critics and endorse the theory that humanity is undergoing a process of evolution from monkey-likeness up to God-likeness. They are thus indirectly telling their people that there was no fall from God's image and likeness, that there was no sin committed, no sentence for sin, no Redeemer from sin and its sentence and that Restitution is not to be hoped for.—Acts iii. 19-21.

Humility a Character Foundation.

The parable of a man with a beam in his eye trying to pick a mote out of his brother's eye was a forceful method whereby the Master indicated the necessity of humility. Humility is a foundation virtue. The Latin word for humility is *humus*, ground. This implies that it is the soil out of which other virtues are produced. Those who think they know everything can learn nothing. How beautiful it is to realize that Jesus was humble and that all the holy angels are so!

Grapes Off a Bramble Bush.

While the Scriptures forbid God's people to judge one another, they do commend to us another kind of judging. While not condemning the heart we are to judge of the outward conduct. The parable which our Lord in this lesson gives respecting the gathering of grapes from bramble bushes illustrates this point. God's people are likened to the grape-vine, which produces no thorns but luscious clusters of fruit. Mankind in general are likened to bramble bushes, ready to injure, on the slightest provocation, and are merely self-sustaining. We are to distinguish between such characters and God's people: "By their fruits shall ye know them."

It is said that at times a bramble bush is entirely covered by a vine so that the grapes appear to be coming from the bush. However, we are not to be mistaken. A good tree cannot bring forth evil fruitage, neither can an injurious tree bring forth good fruitage. The lesson is that those who are really God's people must be fruit-bearing else they are none of His.

It is therefore useless for any man to tell us that he has given his heart to the Lord in fulness of consecration and that he has received the sanctifying influences of the Holy Spirit and yet find him rejoicing in sin, taking pleasure in iniquity, injustice, selfishness and a course of life injurious to his neighbors. If his heart be changed the results will be manifest in his daily life, because "out of the abundance of the heart the mouth speaketh."

"The ruin of that house was great"

The House on the Rock.

This parable illustrates two classes of believers. Both hear the Great Teacher's instructions and believe and rear faith structures and entertain heavenly hopes. But the one is more prudent than the other. One seeks for the doctrines and principles of the Divine Word, and builds his faith structure thereupon. His faith, therefore, cannot fail whatever storms may assail.

The unwise believer builds upon the traditions of the elders, the creeds of the Dark Ages, etc. He fails to appreciate the necessity for having a proper foundation for faith and works. In the time of stress with which this Age will end all such will find the foundation swept away; they will thereby suffer great loss, though they themselves may be saved, as by fire—tribulation.—I Corinthians iii. 13-15

Mr Mulick was one of the most prominent breeders of Holstein-Friesan cattle in Wisconsin He purchased one of our small farms and is stocking it with one of the finest herds of pure Holstein-Friesan cattle in the United States He says

"The Sacramento Valley is an ideal home for the Holstein cow and I am sure that the dairy world will soon look to this valley for the world's record stock

"There is certainly a bright future for the practical dairyman in this valley It is hardly possible to estimate the advantages of dairying in a country where green feed can be raised the year round, as compared with Wisconsin, where they have to stable their stock at least six months in the year."

It doesn't cost much to own one of our small farms—

Mrs. Burns Wadsworth 270 Donner avenue, Monessen Pa., says: "I was in poor health for some time and suffered almost constantly from backache. I was subject to chills and dizzy spells. Knowing that Doan's Kidney Pills were good for kidney complaint, I procured a supply from the Hirsch Drug Co. Their use helped me from the first and before long I was cured. I am now enjoying good health and my kidneys do not bother me in the least." (From statement given Oct. 2, 1907.)

ST. LEONARDS RETAIN HOLD ON FIRST PLACE

Batting out enough runs in the very first inning to win the game the St. Leonards team defeated the Methodists yesterday evening by a score of 7 to 2. The game was full of snappy fielding and many sensational plays were pulled off much to the delight of the large crowd on hand to witness the affair. Winning the game gave the St. Leonards team the right to retain first place. The Methodists were their nearest competitors for the position.

To start the game Lamey walked. H. Lafferty beat out a bunt. Lamey by a fast bit of base running going to third on the hit. Lafferty stole second. McGinley singled scoring Lamey and then stole second. Doney walked filling the bases. O'toole flew out to Winwood in middle who by a pretty return to the plate headed off H. Lafferty. Helzlsouer singled to right scoring McGinley and Doney. In the fourth inning, T. Lafferty J. Lafferty singled, Dugan was hit, scoring when Johnny Gibson tossed Lamey's hit over Smith's head. H. Lafferty dropped a single in right scoring Dugan followed by a drive by McGinley to middle scoring Lamey. Helzlsouer doubled in the fifth and went to third on an error by Steckman, and scored on an infield out. The Methodists scored their two tallies in the sixth on singles by Derby and Southern and an error by Helzlsouer.

Bock for St. Leonard's pitched good ball keeping the hits well scattered while Johnson was touched up a little freely at times although his support wobbled at critical stages. Joe O toole and Southern were the fielding stars along with Winwood. Helzlsouer batted well.

THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blesing.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

San Antonio, Texas.—"To all women who desire to have children in their homes and to be well and happy I recommend Lydia E. Pinkham's Vegetable Compound. I suffered from a displacement and other female weakness. Lydia E. Pinkham's Vegetable Compound was the only remedy that ever helped me, and now I am a happy mother and highly recommend your medicine to all my friends."—Mrs. A. B. MARTINEZ, 121 S. Laredo St., San Antonio, Texas.

Brooklyn, N.Y.—"I was ailing all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. STEWART, 299 Humboldt St., Brooklyn, N.Y.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Surely is Some Horse

Ezra Chipp, who carries mail between the station at West Aelexander and the post office, is the owner of a horse, "Bill," which he claims outclasses any other horse in the country for natural intelligence. Mr. Chipp is the least bit late the horse neighs loudly and kicks the side of his stall. He also feels his importance when hauling the U. S. mail and is unwilling to pull out of the way for any vehicle. Mr. Chipp is going to train the horse to make all the trips himself.

Thief Caught in the Act

As she entered the grandstand at Olympia park, McKeesport, Mrs. Lottie Yingling, of Washington, D. C., who is visiting her sister-in law, Mrs. William Schultz, felt a tug at her wrist and turned just in time to see a man making away with her purse containing a $20 bill, two $1 bills, twenty five cents in change and a mileage book. She immediately reported the matter to the police and William A. Murphy was picked up later as a suspect. He gave references and was released.

Mr. and Mrs J. M. Dalton are visiting over Sunday with relatives in Youngstown, O.

GREAT WILD WEST IS IN CHARLEROI TODAY

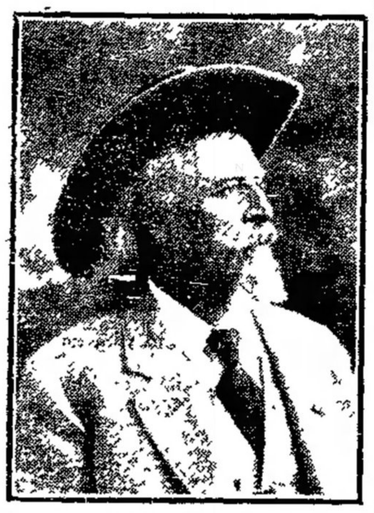
Buffalo Bill is in Charleoi with Buffalo Bill's Wild West and Pawnee Bill's Far East, and will appear in the saddle at both performances of the show today.

The Wild West and Far East exhibition reached there this morning from Butler and was quickly transferred to the show grounds and everything put in readiness for hot performances today.

Since its last visit there the exhibition has been broadened in scope and presents an entirely new menu of the "Far East" as well.

There is a series of scenes and episodes, lifted bodily and boldly from lands—that have furnished excitement sufficient for a thousand and one "Arabian Nights."

There are varied exhibitions of horsemanship this season where the dusky skinned Arabs vie with the American cowboy in displays of equestrianism. The camp life of the



American Indian is shown in contrast to the domiciles of the desert born and nomadic Bedouin. Russian Cossacks, the representatives of the czar's cavalry, display their saddle expertness in contrast to the horsemanship of Uncle Sam's soldiers

The presentation of the "Wild West" has been considerably enhanced with special scenery and effects.

"The Meadowbrook" hunt illustrates a fox hunting scene and Olympian games interloped, introduces Fred Gerner, holder of the world's record for high and broad distance jumping, in competition with the hunting horses and many other taking novelties will be presented for the first time in this vicinity.

Reserved seats are on sale at Weltner's Pharmacy until 5 p. m. The performance will begin at 8 o'clock this evening.

Fish Wore Costly Jewel

Howard Buzby, a fish dealer, of Philadelphia discovered a fish wearing a diamond ring in its gills. Mr. Buzby was sorting fish from several barrels received from Angelsea when he noticed an odd bulge in the gills of one and tossed it aside as "defective."

Later he examined the "defective" and found the diamond ring. He has sent word to Angelsea and if the original owner of the ring can prove his claim he can have the jewel.

THINGS ALL OUGHT TO KNOW

As Christian Bible Students—The Satisfactory Proof of "Why God Permits Evil."

One of the questions which comes to nearly every thinking mind today is, "Why does God permit evil?" As we look about us in the world we observe that it is filled with sorrow and trouble, sickness and pain and every trial we could enumerate, and we cannot help wondering WHY GOD ALLOWS IT. We realize that He is almighty and that He could prevent it if He wished We read in His Word that He is more willing to do for His children than are earthly parents for theirs, and we know how much that means; yet oftentimes, it seems that those who try to do and live right have the most trouble. This question is made very clear in a book entitled, "The Divine Plan of the Ages." Every statement is backed by Scripture, and shows that while God does not sanction evil HE HAS ALLOWED SIN AND DEATH TO REIGN FOR THESE LONG SIX THOUSAND YEARS. This and many other subjects of deep interest to all of God's people are discussed fully and in language easy of comprehension

PROFITABLE DAILY TITHING.

"Daily Heavenly Manna."

This little book is having the largest circulation of any of its kind and is conceded by Christians everywhere to be the most helpful.

If Christians allow the rush and crush of selfish ambition to deprive them of their daily portion of heavenly food, they must not be surprised if they grow spiritually leaner day by day, and if the peace of God gives place in their hearts to the discontent which is growing in the world, notwithstanding the multiplication of our comforts and privileges.

Daily Heavenly Manna contains a collection of Scripture texts with appropriate quotations for every day in the year. Surely the little tithe of time daily spent in partaking of its morsels of heavenly counsel cannot fail to profit all who partake. It is published to do good—not for profit.

Your Friends' Birth Dates.

An autograph and birthday record feature in this book is a great convenience. Opposite each day of the year are blank lines upon which you can secure the autographs of your friends and be reminded of their birthdays as they occur. This makes the book more valuable yearly. In ten years you would not sell it for ten dollars.

Besides it has a place for Birth Records, Marriage Records and Death Records. Also it has a table showing the day of the week of any date for one hundred and fifty years.

Printed on bond writing paper, blue cloth, handsome. Price, 35 cents postpaid; imitation alligator skin, gold edges, $1.00 postpaid. Order now. Bible and Tract Society, 17 Hicks Street, Brooklyn, N. Y.
